

BE A PART OF PREPARING PEABODY FOR THE FUTURE

The City of Peabody has launched an effort to update the City's Local Hazard Mitigation Plan (LHMP). The LHMP analyses natural hazards the City is susceptible to and identifies actions that can be implemented to reduce vulnerability and and damage from these risks.

The City is seeking engaged community members to be part of the LHMP Committee to assist the City in updating of the plan.

***THOSE INTERESTED IN LEARNING MORE ABOUT
THE COMMITTEE AND VOLUNTEERING ARE
